“Succession planning is an important philosophy of the firm and we are fortunate to have a talented team of solicitors” remarks Brett Moller. “Charlie and I recognize excellence within the firm, and as such have promoted

Linda Barlow to Partner and Bob Owen, Rose Davies and Belinda Lowe to Associate level”. Marino Moller Lawyers is a true local firm. Charlie Marino established a legal practice in Cairns back in 1988. He expanded that practice by opening a branch office in Gordonvale in 1993 and brought on board, to develop the Gordonvale practice, a local solicitor Brett Moller. In 1999 Charlie and Brett entered into partnership to develop the legal practice. Their aim is to provide a legal service that is available, affordable and approachable – to all within Far North Queensland.
